

Diamond Graphics Receives FSC®-Certification

Diamond Graphics Achieves FSC Certification, Demonstrating Commitment to Sustainable Forestry.

FOR IMMEDIATE RELEASE: December 14th, 2022

Ramsey, MN – Diamond Graphics, the go-to expert in total solution card manufacturing, is proud to announce that it has achieved the Forest Stewardship Council® (FSC®) certification, demonstrating its commitment to responsible forestry practices and sustainable sourcing.

The FSC is a global, not-for-profit organization dedicated to the promotion of responsible forest management worldwide. FSC defines standards based on agreed principles for responsible forest stewardship that are supported by environmental, social, and economic stakeholders. To achieve this certification, Diamond Graphics underwent a rigorous assessment process that evaluated its forestry management practices, chain of custody procedures, and other environmental and social considerations.

Diamond Graphics joins a select group of companies committed to sustainability and responsible sourcing. By obtaining the Mix Label, products with this claim are made of material from well-managed FSC-certified forests, recycled materials, and other controlled sources.

At Diamond Graphics, we're committed to protecting the environment and promoting sustainable practices. Our FSC certification is a significant milestone that reflects our dedication to responsible forestry practices and sustainability. We're proud to be part of a global community that shares our core values.

We are dedicated to providing our customers with high-quality products that meet their needs while also promoting sustainability and environmental responsibility. By executing FSC certification, we are demonstrating our responsibility to this mission and setting a high standard for the industry.

FSC® takes care of forests and the people and wildlife that call them home.

Our FSC®-certified products are available upon request.
