

Diamond Graphics Receives Recognition in Five-State Print Competition

Diamond Graphics Announces it has Received an Award for Outstanding Achievement in Digital Printing—Packaging.

FOR IMMEDIATE RELEASE: April, 2024

Ramsey, MN – Diamond Graphics, a leading innovator in the printing industry, has been honored with an award in the category of Digital Printing—Packaging in the annual Star Awards. The Star Awards, a five-state print competition, is hosted by Printing Industry Midwest (PIM), the region's foremost trade association for the printing, communication, and graphic arts industry.

Diamond Graphics has consistently set itself apart through its commitment to staying at the forefront of technological advancements and its ability to provide customized solutions for clients across various industries. The award serves as a validation of the company's commitment to excellence and innovation in the field of digital printing.

"This recognition is a testament to the hard work and dedication of our talented team at Diamond Graphics. We are honored to be acknowledged in the Digital Printing—Packaging category at PIM's Star Awards," said Rob Harris, CEO of Diamond Graphics. "At Diamond Graphics, we are committed to pushing the boundaries of what is possible in the printing industry, and this award motivates us to continue delivering exceptional results for our clients."

As Diamond Graphics celebrates this achievement, the company looks forward to further opportunities to showcase its capabilities and to continue raising the bar in the world of digital printing.
